

MISSION STATEMENT

"The young men in our program are much more than simply football players. They are students, sons, brothers, grandsons, and much more, who will shape the future of our communities and nation. We want to develop young men who will be great husbands, fathers, employers/employees, and citizens. We also want to win championships. As such, we have a two-pronged approach to why we do what we do: win games, win hearts. It's that simple." -Jason Bornn

Dear Friends of 2018 Saugus High School Football,

The 2017 season marked a major turning point in the growth and development of our program. All three levels had winning records, especially our JV program posting a 5-0 record during league competition and earning "bragging" rights for winning league. Our Varsity team made us all proud and while bitten by the injury bug throughout the season, the team lived up to our 2017 "Forged By Fire" theme mantra and made it to the playoffs deep into the CIF Semi-Finals round. We are excited for what the future holds for the program but we need your help to continue on the road to success.

With an annual budget of \$190,000, we have our work cut out for us to raise the necessary funds to cover the expenses associated with running a first class program that teaches not only football, but life skills and lessons. With less disposable income for many families, and the public school laws, we are required to fund our 501c3 football program through fundraising and donations only. Since our program consistently has between 150-160 athletes every year and it costs **\$1,200 per athlete, per year**, and given the William Hart District is unable to help with funding, we look to our wonderful and generous community for help. We kindly request you consider supporting our program by donating at one of the levels below.

Sincerely,
Jeff Dolder - Gridiron President
